貝殼控股有限公司

(A company controlled through weighted voting rights and incorporated in the Cayman Islands with limited liability)

(Stock Code: 2423)

GRANT OF RESTRICTED SHARE UNITS

The Company approved to grant an aggregate of 7,025,385 RSUs (representing equal number of underlying Class A ordinary shares) to 649 employees on July 1, 2026 (the “**Employee Grants**”) pursuant to the 2020 Share Incentive Plan, subject to the acceptance by the Grantees. Such Employee Grants would not be subject to the Shareholders’ approval. None of the Grantees was a Director, chief executive or substantial shareholder of the Company, or an associate of any of them.

The Employee Grants are subject to the terms and conditions of the 2020 Share Incentive Plan, and the award agreements to be entered into between the Company and each of the Grantees. The principal terms of the 2020 Share Incentive Plan were set out in the section headed “Statutory and General Information – The Share Incentive Plans – 2020 Share Incentive Plan” in Appendix IV to the listing document of the Company dated May 5, 2022 and the 2025 annual report of the Company dated April 24, 2026.

Details of the Employee Grants are set out below:

Date of grant	July 1, 2026
Total number of RSUs to be granted	7,025,385
Purchase price of RSUs to be granted	Nil
Closing price of the Class A ordinary shares on the business day immediately preceding the date of grant	HK\$37.56 per Share

Vesting condition and periods

Subject to the terms of the award agreements to be entered into between the Company and each of the Grantees and the 2020 Share Incentive Plan, the RSUs to be granted under the Employee Grants shall vest in accordance with the following schedules:

- (i) 106,320 RSUs to be granted shall fully vest within 48 months, with 50%, 25% and 25% of the RSUs to be granted vesting on the second, third and fourth anniversary of the date of grant, respectively;
- (ii) 4,192,650 RSUs to be granted shall fully vest on the first anniversary of the date of grant;
- (iii) 57,360 RSUs to be granted shall fully vest within 36 months, with 33%, 33% and 34% of the RSUs to be granted vesting on the first, second and third anniversary of the date of grant, respectively;
- (iv) 28,800 RSUs to be granted shall fully vest within 33 months, with 33%, 33% and 34% of the RSUs to be granted vesting in three specified periods after the date of grant, respectively;
- (v) 2,598,483 RSUs to be granted shall fully vest within 45 months, with each 25% of the RSUs to be granted vesting in four specified periods after the date of grant, respectively;
- (vi) 38,700 RSUs to be granted shall fully vest within 45 months, with 50%, 25% and 25% of the RSUs to be granted vesting in three specified periods after the date of grant, respectively; and
- (vii) 3,072 RSUs to be granted shall fully vest within 42 months, with each 20% of the RSUs to be granted vesting on the date of grant and in four specified periods after the date of grant, respectively.

The vesting periods for part of the RSUs to be granted to the Grantees are shorter than 12 months. The Compensation Committee is of the view that such shorter vesting periods are appropriate because: (i) it can bring about immediate incentivization effect to those Grantees and is appropriate and in line with the purpose of the 2020 Share Incentive Plan to link the personal interests of those Grantees to those of Shareholders and (ii) the Employee Grants have a mixed vesting schedule where the 7,025,385 RSUs granted under the Employee Grants shall vest by batches in a total of 48 months from the date of grant.

Performance targets

There is no performance target attached to the vesting of RSUs under the Employee Grants.

Clawback mechanisms

Pursuant to the terms of Employee Grants and the 2020 Share Incentive Plan, if Grantee's termination of service is by reason of cause set out in the 2020 Share Incentive Plan, the Grantee's right to any vested and unvested RSUs shall terminate concurrently with his/her termination of services. Under such circumstances, the balance of the RSUs that have not vested shall lapse and be forfeited. For the vested RSUs, the Board or the Compensation Committee may in its discretion determine (acting fairly and reasonably) that the Grantee should repay to the Company (whether by re-transfer of Shares (or withholding the transfer of Shares where such transfer has not occurred), payment of cash proceeds or deductions from or set offs against any amounts owed to the Grantee by any member of the Group) an amount equal to the benefit, calculated on an after-tax basis, received or to be received by the Grantee from such vesting, provided that the Board or the Compensation Committee may, at its discretion, determine that a lesser amount should be repaid.

Upon the vesting of Awards granted under the 2020 Share Incentive Plan, RSUs to be granted under the Employee Grants will be satisfied through utilizing the Class A ordinary shares registered in the name of the depositary bank. The Hong Kong Stock Exchange had granted approval for the listing of, and permission to deal in the Class A ordinary shares registered in the name of the depositary bank. The Employee Grants will not result in the options and awards granted and to be granted to each individual Grantee in the 12-month period up to and including the date of such grant in aggregate to exceed 1% of the Shares in issue.

REASONS FOR AND BENEFITS OF THE EMPLOYEE GRANTS

The Employee Grants are to align the interests of the Grantees with those of the Group through ownership of Shares, dividends and other distributions paid on Shares and/or the increase in value of the Shares, and to encourage and retain the Grantees to make contributions to the long-term growth and profits of the Group.

The Employee Grants recognize all Grantees' past contributions to the Group's business performance and aims to secure their long-term support and commitment to the Group which is vital to the future development of the Group. The Company believes that the Employee Grants serve as important incentives to motivate the Grantees to bring a higher return to the Company, which aligns the interests of the Grantees with the best interests of the Company and the Shareholders as a whole.

CLASS A ORDINARY SHARES AVAILABLE FOR FUTURE GRANT UNDER THE 2020 SHARE INCENTIVE PLAN

According to the 2020 Share Incentive Plan, the maximum aggregate number of Class A ordinary shares which may be further issued pursuant to all Awards under the 2020 Share Incentive Plan as at the date of the Listing shall be 253,246,913.
